INTERTECH 2019

*An International Technical Conference on Diamond,
Cubic Boron Nitride and their applications.*

www.intertechconference.com

*Hyatt Regency New Orleans
NEW ORLEANS, LOUISIANA USA*

May 29, 30 & 31, 2019

In 2019 the Industrial Diamond Association of America welcomes the world to INTERTECH at Hyatt Regency New Orleans. Experience the best of the Big Easy as you hop on a Streetcar or take a walk to the historic French Quarter, Arts District, Audubon Aquarium of the Americas or the scenic Mississippi Riverfront.

- New Orleans is one of the top ten most-visited cities in the USA.
- A recent poll of “America’s Favorite Cities” ranked New Orleans first in ten categories, the most first-place rankings.

- New Orleans is a significant center for music, showcasing its intertwined European, Latin American, and African cultures.

Attendees at INTERTECH 2019 will find an exceptional combination of technological presentations and unforgettable attractions!
